No.2211.

Date 3/8/38

SHANGHAI, 1st August 1938.

Sir,

I have the honour to inform you that I have been asked by the Hungarian Government to make inquiries concerning a certain Arthur FELDMANN, a Hungarian ex-prisoner of war, who according to a certain Bela Tornyosi, repatriated in 1937, is said to have left Russia and is supposed to have gone to China.

He is born at Kiszccaujhely, 51 years of age, medium size, light brown hair. There is a wide space between his two incisors and a scar on one of his legs caused by a fall.

Exhaustive enquiries have been made in North China and amongst the Hungarian community at Shanghai. None of the ex-prisoners from Siberia residing in Manchuria or here appear ever to have met this person and it seems doubtful that he ever left Russia.

Before reporting however that this person cannot be located, I thought it advisable to send you his photograph with the request kindly to have it compared with those of persons you have on record as it might be possible that for some reason or other Feldmann has changed his identity.

Kindly return the enclosed photograph after you have made use of it.
